See yourself as...

A word cloud centered on the page, featuring various professional roles and related terms. The words are arranged in a roughly circular pattern, with 'entrepreneur' and 'businessperson' being the largest and most prominent. Other significant words include 'engineer', 'developer', and 'alloftheabove'. Smaller words include 'business', 'product', 'data', 'investor', 'development', 'entrepreneurial', and 'scientist'. The colors of the words vary, including shades of blue, orange, green, and pink.

engineer
business
product
data
developer
entrepreneur
